

## **LIST OF AUTHORISED RADIO BROADCASTERS IN UGANDA**

The Uganda Communication Commission (the Commission) was established under section 4 of the Uganda Communications Act, 2013 (the Act) as the regulator in the development of a modern communications sector that includes telecommunications, broadcasting, radio communications, postal communications, data communication and infrastructure.

In accordance with its mandate, the Commission hereby informs the general public that the radio stations listed hereunder are currently the only authorised providers of radio broadcasting services in Uganda.

Any radio broadcasting service provider whose name does not appear on this list must contact the Commission and resolve all outstanding compliance issues within a period of fourteen (14) days from the date of this notice to avoid enforcement action.
